### Possible lines of interest

Halloween - spell writing, pumpkins (shape, size and weight), descriptive language, stories - witch's kitchen, Pumpkin soup

Bonfire Night - 3D shapes, descriptive language, poetry. Oxford Reading Tree story- Fizz Bang

Diwali - story, sources of light, celebration in Hindu faith

Autumn - autumn watch, seeing changes in cherry tree in garden,

Our Christmas play on **Friday 13<sup>th</sup> December** will be our celebration this term. It is called **A little bird told me**. Possible ideas from this to support our learning might be: birds, aerial views, geographical language - woods, mountains, streams, what is up in the air?; finding out about another place - Bethlehem; space and stars. There are many possibilities and we will use the children's interests to develop the skills and knowledge the children need in order to cover the Early Years' curriculum.

If there is anything else that you need to know please ask a member of the Early Years' team.
