

## Mellor Country House Appeal

As part of our job as the Pupil Parliament Charities and Communities committee we would like once again to support our special local charity Mellor Country House. Mrs Sharon Adamson, the housekeeper has previously been to talk to us to tell us more about the charity. We found out that the House provides low-cost holidays for people who are disadvantaged both socially and financially and we felt that we might have lots to offer in many ways. We know that we are very lucky to live in such a lovely place as Mellor, and would be proud to share our village with people who are less fortunate than us.

For the last five years we have had a Christmas present appeal for the Mellor Country House. It was very successful and we collected lots of presents. Mrs Adamson was thrilled and she said the children who received them were very happy! We would love to repeat this. We would like as many school children as possible to bring a wrapped present to school by Friday 13<sup>th</sup> December which we will then deliver to the House. Please make sure this is a new gift, and we suggest that you spend no more than £10. Please bring the present wrapped and labelled with the appropriate age and gender. These presents will be very gratefully received by Sharon, and will be given to children over the course of next year as they arrive at the House. We would love to make another success of this appeal. Please help us!

Thank you very much,

Eleanor, Sol, Lukas, Lola May, Hermione, Thea, Reef and Chloe  
The Pupil Parliament Charities & Communities Team.
