Music

Classics for Kids – an extensive site with information aimed at primary age children, activity sheets for learning, instrumental sounds and games. Lesson plans and ideas for parents too.

Kididdles – large selection of nursery rhymes and other children's songs, with midi files to play, lyrics, and activity sheets. Suitable for younger children.

Mama Lisa: Kids' songs from around the world – lyrics of international songs from many countries, some of them with midi files to listen to, or videos to watch.

BBC site: orchestras – various links for children to discover the different instruments of an orchestra, learn a little history, and play some musical games.

Out of the Ark- To help with the rhythms and new routines of daily life, Out of the Ark are releasing seven songs, one for each day, all with challenges and activities related to each song.
