Dear Parents & Carers,

I am writing to you with an update to the guidance given regarding absence due to symptoms of the Coronavirus.

- As before, please follow the government guidance from Public Health England on our website.
- If your child/children or anyone in your immediate family presents with any cough and/or temperature then the entire family must self-isolate for fourteen days with immediate effect.
- We will be reviewing the strategy for children accessing work at home. You will understand that the rate of change and numbers of children we are managing is significant and we need to plan for this effectively. In the meantime, it would be a good opportunity for children to read books or have them read to them as appropriate/available and your child could also access the educational software platforms such as Purple Mash and Prodigy.

We will keep you up dated as we receive more information.

With best wishes,
