

Early Years

A collection of websites and resources aimed at children in Early Years.

Alphablocks – Watch as the letters of the alphabet tell stories and make words using phonics.

CBeebies – Help pre-schoolers learn whilst they play fun games, watch clips and sing songs.

Numberblocks – Learn how much fun counting can be with the Numberblocks.

Jolly Phonics- you can also search for Jolly Phonics in You Tube to join in with the action, song and story for each letter of the alphabet.

Phonics Play - Interactive phonics games to help children learn to hear different sounds.

BBC Tiny Happy People - Develop your child's communication skills through interaction and play.

Hungry Little Minds - Activities and games to try at home for 0-5 year olds.

BBC School Radio Audio provides ideal resources for Early Learning through stories, music, movement and songs. The content links directly to the Early Years Foundation Stage curriculum and helps to foster speaking and listening and movement skills.

Oxford Owl Free e-books for children age 3-11

ABC Does- A collection of activities/ideas to help parents and carers find fun things to do. Most of the ideas have an educational slant but learning when you're little should be play based!
