

# Easter Challenges

School would normally be closed for the Easter break over the next 2 weeks but we have set you some challenges to try over that time if you wish. Have a look at these ideas to keep you busy over the Easter holidays! You can continue to do **Numbots** and **TTRS** and other learning if you choose, remember to try to read each day.

Don't forget you can go for a walk, run or cycle each day remembering to follow the guidance on social distancing.
