18th June 2020

Dear Parents & Carers,

It has been wonderful to see children back in school, to hear their laughter and sense their presence, bringing energy back into the areas of the school that have been previously void of life. Our systems are working well and we will continue to monitor their effectiveness.

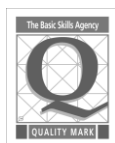

We now look forward to welcoming our Early Years children back to school on Monday, we thought it might be worth reminding you of some of the information we sent out in our 'Return to School Offer'.

Reception pupils in **Bubbles 5 & 6** should arrive at school between **9:00am-9:10am** and pupils in **Bubble 7** should arrive at school between **9:10am-9:20am** each day and all Reception should be collected at **2:30-2:45pm**, so that we are able to maintain social distancing between adults.

Reception children, accompanied by parents, will enter via the normal school walkway following the red line. B5 (Mrs Boardman) children will enter through the Year 2 classroom door, B6 (Mrs Fenteman) through the Year 1 classroom door, B7 (Mrs Goodfellow) children will enter through the Nursery classroom door.

In all cases parents/carers will exit through the back gates through the Early Year's area following the red line and back to the car park whilst exercising social distancing.

On collection parents/carers will enter via the same pathway, wait for their children at the designated spot and then exit via the Nursery back gate to the car park.

Children will need to bring very little to school. The following list should provide a checklist for parents each day:

- Water Bottle – There will be no access to the water fountains during the school day. Staff will set control measures for drinking with plastic cups for each child
- Hand Sanitiser & Hand Cream – At the discretion of the parent
- A snack for break time – which they can open themselves
- Packed lunch if bringing your own.
- Hat & sun cream if applicable

Children don't need to wear school uniform for their return to school. They will be need to wear freshly laundered clothing each day that is suitable for the outdoors. Trainers and sports kit are also suitable.

Taylor Shaw, our school meal provider, will be offering pupils a sandwich meal during lunchtime. Children will be able to choose a different sandwich filling each week. For next week please add your child's choice (Ham, Cheese, Egg or Tuna) of filling on School Gateway by Friday 11am.

Best wishes
