

# Medals and awards ceremony

Print them out, fill them in and use string to turn these templates into awesome medals. It's up to you how you award the medals. You might decide to do it based on scores or you can use our suggested system:

- Bronze: For people who took part in at least three events.
- Silver: For people who took part in at least 7 events.
- Gold: For people who took part in all 10 events!

We'd love you to share a picture of your award ceremony with us on Twitter - @2s\_wellbeing. Share with the hashtag #StriverSportsDay to be entered into our competition to win a hamper of sports goodies.
