Dear Parents & Carers,

In previous correspondence I mentioned that we would continue to review our practice in the light of national and local Covid-19 conditions. This is a quick message to share some new important information.

As cases of Covid-19 in the North West increase and we have experience of local developments, please read the following:

- Our staff will now be wearing masks as they move around school; between bubbles, also in corridors and in meeting rooms.
- All visitors entering school must wear a mask.
- We ask that all parents and carers wear a mask on the playground unless they are exempt from doing so.
- Please continue to maintain social distance from each other in the school grounds.
- We ask that where possible, only one adult either drops off or collects children.

Thank you for your continued support as we do our utmost to keep everyone safe.

Best wishes

Jim Nicholson
