

# Mellor Primary School

## Pupil Premium Spending

**1<sup>st</sup> September 2020 to 31<sup>st</sup> August 2021**

Mellor Primary School has an indicative figure of £11,000 for Pupil Premium funding in the school year 2020-2021.

The funding is based on the number of children on roll, who were in receipt of free school meals in the last 6 years (EFSM) from the local authority. The Pupil Premium grant is allocated to children from families who are currently known to be eligible for free school meals (FSM), pupils who have been eligible for FSM at any point in the last 6 years (Ever6) and children who have been looked after continuously for more than six months at some point in their lives.

In the 2020 to 2021 financial year, school will receive the following funding for each child registered as eligible for free school meals at any point in the last 6 years:

- £1,345 for pupils in reception year to year 6

School will also receive £2,345 for each pupil who is Looked-after, defined in the Children Act 1989 as one who is in the care of, or provided with accommodation by, an English local authority. The same amount will be given to each pupil who, in the spring school census, is identified as having left local-authority care because of 1 of the following:

- adoption
- a special guardianship order
- a child arrangements order
- a residence order

In addition £310 per pupil will be received for Pupils in year groups reception to year 6 recorded as Ever 6 service child or in receipt of a child pension from the Ministry of Defence.

The School's Leadership Team and Trustees are committed to ensure that this money is spent to significant effect.

We have high aspirations for all the children in our school community and believe that all children should be given the opportunity to reach their full potential. We seek, as a school community, to provide personalised learning opportunities and targeted support to allow every child to flourish. We do this by providing high quality classroom teaching, supplemented by interventions to support vulnerable learners as and when required.

As we recognise that not all pupils who are academically or socially disadvantaged are registered for free school meals, we reserve the right to allocate Pupil Premium funding to support any pupil, or group of pupils, identified by the school as being at a significant disadvantage. We are committed to enabling all children to enjoy and achieve in their learning; the Pupil Premium funding enhances provision and is used in addition to funds from the school's allocated budget.

The School's Leadership Team and Trustees monitor the impact of all spending and interventions, including the Pupil Premium funding.

**Provision**

Mellor Primary School is likely to receive £11,000 Pupil Premium funding in the school year 2020-2021.

<b>Target</b>	<b>Action</b>	<b>Finance implications</b>
To provide interventions which are timely, effective and diminish the difference.	15 hours of intervention provided in school.	£6500.00
	Phonics Intervention at KS1	£2500.00
